

? question @49  

stop following

11 views

Actions ▾

Sakai

The due date on Sakai is listed as Friday, July 1 (today) at 6:00pm CT instead of Saturday, July 2 at 6:00pm CT.

Also, this is the data set for problem 2 as the website does not appear to allow downloads without making an account: [nrippner-ols-regression-challenge.zip](#)

exam

 **the students' answer**, where students collectively construct a single answer

Actions ▾

Just wondering, will this be updated soon? I don't see any changes in Sakai.

Edit thanks! | 0

Will fix date.

I downloaded the data with no account. I can email it to you if you can't figure it out.

This is what I got when I clicked "Download":

Actions ▾

Either way, I just ended up linking an account, so no problem downloading it. I just wasn't sure if anyone else had the same thing.
