Homework 6

When will homework 6 be posted and due?

Also, the [Calendly link](#) lists office hours beyond the duration of this class (i.e., July and onward). Can we still use it to make appointments if we want to discuss non-Bayes related things or is there a separate link/process for this?

i the instructors' answer, where instructors collectively construct a single answer

This will probably not happen. We just ran out of time.

I won't be around in the office in July or August as much, but we can meet on Zoom. I'll have to update the hours for Calendly that I am available, but I will post a "general meeting" calendly link.

Cheers,
Greg
